Deakin ACT 2600

Dear s33(a)(iii)

I am writing regarding the attached advice I have received from the Road Transport Authority ACT concerning the demerit-warning letter s33(a)(iii)

The Road Transport Authority advises that s33(a)(iii) incurred 8 demerit points on the following dates: 07/08/208, 16/09/2018 and 30/09/2018. The Authority advises that if s33(a)(iii) incur further offences the Road Transport Authority will suspend s33(a)(iii) licence.

As you are aware, road safety is a matter of significant community concern in Australia. I remind s33(a)(iii) responsibilities while driving in Australia. Article 41.1 of the Vienna Convention on Diplomatic Relations requires all diplomats respect Australia's laws and regulations.

Yours sincerely

RE: s33(a)(iii)

On the reverse side of this letter is a copy of your driving record and the resulting demerit points that you have incurred over the three year period preceding the most currently recorded offence.

You may be aware that Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall suspend that person's licence for a period of 3 months, unless the person chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

If 16 to 19 demerit points are incurred over 3 years, a 4 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months. If 20 or more demerit points are incurred over 3 years, a 5 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months

You will notice that your current total of demerit points indicates that the recording of another offence could result in you incurring 12 or more demerit points.

The loss of a driver licence can be very inconvenient and may even result in the loss of income for motorists who drive as an occupation. The purpose of this letter is to give you the opportunity to ensure that no further points are incurred which would result in the loss of your licence.

If you require any further information regarding this matter please contact the Licence Area by phoning 13 22 81.

s33(a)(iii)

I am writing regarding the attached advice I have received from the Road Transport Authority ACT concerning the suspension of the Provisional Driver Licence recorded in the name of s33(a)(iii) based at the Royal Embassy of Saudi Arabia.

The Road Transport Authority advises that s33(a)(iii) provisional driver's licence will be suspended due to the 4 demerit points he has incurred on the 10/03/2019. s33(a)(iii) provisional licence will be suspended on 26/04/2019 for a period of 3 months.

I seek your cooperation in counselling s33(a)(iii) against continuing to drive while his licence is suspended. If he is found driving while his licence is suspended, this will raise serious questions about his suitability to remain in Australia.

As you are aware, road safety is a matter of significant community concern in Australia. I seek your cooperation in counselling s33(a)(iii) about his responsibilities while driving in Australia. I would also appreciate if you could remind other Embassy staff and dependants of their responsibility under Article 41.1 of the Vienna Convention on Diplomatic Relations to respect Australia's laws and regulations.

RE: s33(a)(iii)

Regulations 124 and 125 of the *Road Transport (Driver Licensing) Regulations 2000* provides that when the holder of a Provisional Driver Licence incurs a total of 4 or more demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall suspend that person's licence for a period of 3 months.

The demerit points you have incurred for the offence endorsed on your driving record over the 3 year period are shown on the reverse of this page. Your demerit points total indicates that you have incurred 4 or more demerit points.

Accordingly your Provisional Driver Licence will be suspended for a period of 3 months commencing on 26/04/2019.

Regulation 76 of the *Road Transport (Driver Licensing) Regulations 2000* provides that you must surrender your current Provisional Driver Licence to the Road Transport Authority as soon as possible after it has been suspended. Licences may be surrendered to an Access Canberra Service Centre. Visit www.act.gov.au/accessCBR or phone 13 22 81 for Service Centre locations and opening times.

Please note that it is an offence under Section 32 of the *Road Transport (Driver Licensing) Act 1999* to drive a motor vehicle while your licence is suspended. You are not eligible to apply for, or be issued with a Restricted Licence in the ACT while your licence is suspended.

On the first working day after the end of your 3 month suspension period you may attend an Access Canberra Service Centre to have your Provisional Driver Licence re-issued.

Note: Regulation 85 of the *Road Transport (Driver Licensing) Regulations 2000* provides that when your Provisional Driver Licence expires, you will be required to renew it for a period equivalent to the period it has been suspended before applying for a Full Driver Licence. A renewal reminder notice will be sent to you prior to the expiry of your Provisional Driver Licence.

RE: s33(a)(iii)

Regulations 127 and 128 of the *Road Transport (Driver Licensing) Regulations 2000* provides that when the holder of an additional provisional licence class incurs a total of 4 or more demerit points whilst holding the additional provisional class, the Road Transport Authority shall suspend that person's additional provisional class for a period of 3 months.

The demerit points you have incurred for the offences endorsed on your driving record whilst holding an additional provisional class are shown on the attached page. Your demerit points total indicates that you have incurred 4 or more demerit points.

Accordingly your additional provisional licence class will be suspended for a period of 3 months commencing on 17/09/2019.

As this suspension only applies to your additional provisional licence class, you may continue to hold your Full, National Heavy Vehicle or Provisional Driver Licence and your current demerit point total remains recorded against it.

Regulation 76 of the *Road Transport (Driver Licensing) Regulations 2000* provides that you must surrender your Full, National Heavy Vehicle or Provisional Driver Licence to the Road Transport Authority as soon as possible after your additional provisional licence class has been suspended, for the temporary removal of your additional provisional class.

You may attend an Access Canberra Service Centre to have this class removed. Visit www.act.gov.au/accessCBR or phone 13 22 81 for Service Centre locations and opening times.

Please note that it is an offence under Section 32 of the *Road Transport (Driver Licensing) Act 1999* to drive a motor vehicle while your licence is suspended.

On the first working day after the completion of the 3 month suspension period you may attend an Access Canberra Service Centre to have your additional provisional motorcycle or car class reinstated on your licence. Visit www.act.gov.au/accessCBR or phone 13 22 81 for Service Centre locations and opening times. The end date of your additional provisional class will be extended by the period of your suspension at this time.

Should you incur additional demerit points and reach a total of 12 or more demerit points (Full or National Heavy Vehicle Licences) or 8 or more demerit points (Provisional Licences) during the 3 month suspension period, your entire licence will be suspended. Full or National Heavy Vehicle Licence holders have the option of choosing a Good Behaviour Period of 12 months as an alternative to the licence suspension.

s33(a)(iii)

I am writing regarding the advice I have received from the Road Transport Authority ACT concerning the attached demerit-warning letter for s33(a)(iii) based at the Embassy of the People's Republic of China.

The Road Transport Authority advises that s33(a)(iii) incurred 7 demerit points on the following dates: 02/04/2017, 12/12/2017, 26/02/2018, 01/07/2018, 17/03/2019, 08/08/2019 and 10/08/2019. The Authority advises that if s33(a)(iii) incurs further offences, bringing the total to 12 to 15 demerit points within a 3 year period, his licence will be suspended.

As you are aware, road safety is a matter of significant community concern in Australia. I seek your cooperation in counselling s33(a)(iii) about his responsibilities while driving in Australia. I would also appreciate it if you could remind other staff and dependants of their responsibility under Article 41.1 of the Vienna Convention on Diplomatic Relations to respect Australia's laws and regulations.

Yours sincerely

RE: s33(a)(iii)

On the reverse side of this letter is a copy of your driving record and the resulting demerit points that you have incurred over the three year period preceding the most currently recorded offence.

You may be aware that Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall suspend that person's licence for a period of 3 months, unless the person chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

If 16 to 19 demerit points are incurred over 3 years, a 4 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months. If 20 or more demerit points are incurred over 3 years, a 5 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months

You will notice that your current total of demerit points indicates that the recording of another offence could result in you incurring 12 or more demerit points.

The loss of a driver licence can be very inconvenient and may even result in the loss of income for motorists who drive as an occupation. The purpose of this letter is to give you the opportunity to ensure that no further points are incurred which would result in the loss of your licence.

If you require any further information regarding this matter please contact the Licence Area by phoning 13 22 81.

s33(a)(iii)

I am writing regarding the attached advice I have received from the Road Transport Authority ACT concerning the suspension of the Full Driver Licence recorded in the name of s33(a)(iii) Embassy of Israel.

The Road Transport Authority advises that s33(a)(iii) driver's licence will be suspended due to the 12 demerit points he has incurred on 26/10/2018, 30/10/2018, 27/02/2019, 28/03/2019, 01/04/2019, 22/04/2019, 04/05/2019, 15/05/2019 and 02/08/2019. s33(a)(iii) licence will be suspended on 08/10/2019 for a period of 3 months.

I seek your cooperation in counselling s33(a)(iii) against continuing to drive while his licence is suspended. If he is found driving while his licence is suspended, this will raise serious questions about his suitability to remain in Australia.

As you are aware, road safety is a matter of significant community concern in Australia. I seek your cooperation in counselling s33(a)(iii) about his responsibilities while driving in Australia. I would also appreciate if you could remind other Embassy staff and dependants of their responsibility under Article 41.1 of the Vienna Convention on Diplomatic Relations to respect Australia's laws and regulations.

RE: s33(a)(iii)

Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle Driver Licence incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall send a written notice to the licensee advising that the licence will be suspended for a period of 3 months unless the licensee chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

The demerit points you have incurred for the offences endorsed on your driving record over the 3 year period are shown on the attached page. Your demerit points total indicates that you have incurred 12 to 15 demerit points during this 3 year period.

Accordingly your Full Driver Licence or National Heavy Vehicle Driver Licence will be suspended for a period of 3 months commencing on 08/10/2019, unless you choose the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

You are not eligible to apply for, or be issued with a Restricted Licence in the ACT while your licence is suspended.

As a holder of a Full Driver Licence or National Heavy Vehicle Driver Licence you have a choice between 2 options:

1. **Good Behaviour Period of 12 months**

   You may choose the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

   You should complete a Good Behaviour Election form at an Access Canberra Service Centre within 28 days of the date of this letter. Visit www.act.gov.au/accessCBR or phone 13 22 81 for Service Centre locations and opening times. The 12 month Good Behaviour Period begins on the day when your licence would have been suspended – on 08/10/2019. You may also choose a Good Behaviour Period of 12 months after your licence suspension has commenced. In this situation the 12 month Good Behaviour Period begins on the date of approval and any period of licence suspension served will stand.

I072518-SEM-001330-ASA001-00621

DFAT - DECLASSIFIED - COPY ISSUED UNDER THE FREEDOM OF INFORMATION ACT 1982

Please note that if you elect a Good Behaviour Period of 12 months then incur 2 or more demerit points during that Good Behaviour Period, your Full or National Heavy Vehicle Driver Licence will be suspended for 6 months.

2. **3 month Licence Suspension**

   You may elect to accept a 3 month licence suspension, during which you may not drive a motor vehicle. After this period the previously held licence will be re-issued.

If you do not apply for a Good Behaviour Period by 08/10/2019 the Road Transport Authority will suspend your licence for a period of 3 months commencing on 08/10/2019.

Regulation 76 of the *Road Transport (Driver Licensing) Regulations 2000* provides that you must surrender your current Full or National Heavy Vehicle Driver Licence to the Road Transport Authority as soon as possible after it has been suspended. Licences may be surrendered to an Access Canberra Service Centre. Visit www.act.gov.au/accessCBR or phone 13 22 81 for Service Centre locations and opening times.

Please note that it is an offence under Section 32 of the *Road Transport (Driver Licensing) Act 1999* to drive a motor vehicle while your licence is suspended.

On the first working day after the end of your 3 month suspension period you may attend an Access Canberra Service Centre to have your licence re-issued.

If you wish to dispute the validity of the traffic offences recorded against you on the attached statement, please contact the Chief Police Officer by phoning 13 22 81.

RE: s33(a)(iii)

On the reverse side of this letter is a copy of your driving record and the resulting demerit points that you have incurred over the three year period preceding the most currently recorded offence.

You may be aware that Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall suspend that person's licence for a period of 3 months, unless the person chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

If 16 to 19 demerit points are incurred over 3 years, a 4 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months. If 20 or more demerit points are incurred over 3 years, a 5 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months

You will notice that your current total of demerit points indicates that the recording of another offence could result in you incurring 12 or more demerit points.

The loss of a driver licence can be very inconvenient and may even result in the loss of income for motorists who drive as an occupation. The purpose of this letter is to give you the opportunity to ensure that no further points are incurred which would result in the loss of your licence.

If you require any further information regarding this matter please contact the Licence Area by phoning 13 22 81.

s33(a)(iii)

I am writing regarding the attached advice I have received from the Road Transport Authority ACT concerning the suspension of the Full Driver Licence recorded in the name of s33(a)(iii) who is based at the Royal Embassy of Saudi Arabia.

The Road Transport Authority advises that s33(a)(iii) driver's licence will be suspended due to the 12 demerit points he has incurred on 11/09/2018, 21/10/2018, 07/05/2019, 05/06/2019, 04/07/2019 and 16/06/2020. s33(a)(iii) licence will be suspended on 04/09/2020 for a period of 3 months, unless s33(a)(iii) chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

I seek your cooperation in counselling s33(a)(iii) against continuing to drive while his licence is suspended. If he is found driving while his licence is suspended, this will raise serious questions about his suitability to remain in Australia.

As you are aware, road safety is a matter of significant community concern in Australia. I seek your cooperation in counselling s33(a)(iii) about his responsibilities. I would also appreciate if you could remind other Embassy staff and dependants of their responsibility under Article 41.1 of the Vienna Convention on Diplomatic Relations to respect Australia's laws and regulations.

RE: s33(a)(iii)

Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle Driver Licence incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall send a written notice to the licensee advising that the licence will be suspended for a period of 3 months unless the licensee chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

The demerit points you have incurred for the offences endorsed on your driving record over the 3 year period are shown on the attached page. Your demerit points total indicates that you have incurred 12 to 15 demerit points during this 3 year period.

Accordingly your Full Driver Licence or National Heavy Vehicle Driver Licence will be suspended for a period of 3 months commencing on 04/09/2020, unless you choose the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

You are not eligible to apply for, or be issued with a Restricted Licence in the ACT while your licence is suspended.

As a holder of a Full Driver Licence or National Heavy Vehicle Driver Licence you have a choice between 2 options:

1. **Good Behaviour Period of 12 months**

   You may choose the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

   You should complete a Good Behaviour Election form at an Access Canberra Service Centre within 28 days of the date of this letter. Visit www.act.gov.au/accessCBR or phone 13 22 81 for Service Centre locations and opening times. The 12 month Good Behaviour Period begins on the day when your licence would have been suspended – on 04/09/2020. You may also choose a Good Behaviour Period of 12 months after your licence suspension has commenced. In this situation the 12 month Good Behaviour Period begins on the date of approval and any period of licence suspension served will stand.

I076004-SEM-000142-ASA001-02595

DFAT - DECLASSIFIED - COPY ISSUED UNDER THE FREEDOM OF INFORMATION ACT 1982

Please note that if you elect a Good Behaviour Period of 12 months then incur 2 or more demerit points during that Good Behaviour Period, your Full or National Heavy Vehicle Driver Licence will be suspended for 6 months.

2. 3 month Licence Suspension

You may elect to accept a 3 month licence suspension, during which you may not drive a motor vehicle. After this period the previously held licence will be re-issued.

If you do not apply for a Good Behaviour Period by 04/09/2020 the Road Transport Authority will suspend your licence for a period of 3 months commencing on 04/09/2020.

Regulation 76 of the *Road Transport (Driver Licensing) Regulations 2000* provides that you must surrender your current Full or National Heavy Vehicle Driver Licence to the Road Transport Authority as soon as possible after it has been suspended. Licences may be surrendered to an Access Canberra Service Centre. Visit www.act.gov.au/accessCBR or phone 13 22 81 for Service Centre locations and opening times.

Please note that it is an offence under Section 32 of the *Road Transport (Driver Licensing) Act 1999* to drive a motor vehicle while your licence is suspended.

On the first working day after the end of your 3 month suspension period you may attend an Access Canberra Service Centre to have your licence re-issued.

If you wish to dispute the validity of the traffic offences recorded against you on the attached statement, please contact the Chief Police Officer by phoning 13 22 81.

s33(a)(iii)

I am writing regarding the advice I have received from the Road Transport Authority ACT concerning the attached demerit-warning letters for s33(a)(iii) based at the Embassy of the United States of America.

The Road Transport Authority advises that:

- s33(a)(iii) incurred 8 demerit points on the following dates: 10/05/2017, 04/04/2019, 26/08/2019 and 15/03/2020.
- s33(a)(iii) incurred 7 demerit points on the following dates: 10/12/2019 and 27/01/2020.
- s33(a)(iii) incurred 7 demerit points on the following dates: 12/10/2018, 24/03/2019, 06/04/2019, 25/06/2019, 17/09/2019, 07/11/2019 and 29/04/2020.

The Authority advises that if s33(a)(iii) incur further offences, bringing the total to 12 to 15 demerit points within a three year period, their licences will be suspended.

Road safety is a matter of significant community concern in Australia.
I seek your cooperation in counselling s33(a)(iii) about their responsibilities while driving in Australia. I would also appreciate it if you could remind other staff and dependants of their responsibility under Article 41.1 of the Vienna Convention on Diplomatic Relations to respect Australia's laws and regulations.

Yours sincerely

RE: s33(a)(iii)

On the reverse side of this letter is a copy of your driving record and the resulting demerit points that you have incurred over the three year period preceding the most currently recorded offence.

You may be aware that Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall suspend that person's licence for a period of 3 months, unless the person chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

If 16 to 19 demerit points are incurred over 3 years, a 4 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months. If 20 or more demerit points are incurred over 3 years, a 5 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months

You will notice that your current total of demerit points indicates that the recording of another offence could result in you incurring 12 or more demerit points.

The loss of a driver licence can be very inconvenient and may even result in the loss of income for motorists who drive as an occupation. The purpose of this letter is to give you the opportunity to ensure that no further points are incurred which would result in the loss of your licence.

If you require any further information regarding this matter please contact the Licence Area by phoning 13 22 81.
