

SECURITY MEASURES ADVICE

Date.....

Please describe in the table below what precautions have been taken to prevent unauthorised access to or theft of chemicals controlled under your permit. Only significant changes will need to be addressed in subsequent annual updates. Please attach any additional pages if necessary and fax or mail this advice to ASNO.

In case of theft, unexplained loss, suspicious approach or incidents associated with the controlled chemical please contact Director, CWC Implementation, ASNO, on 02 6261 1914 (direct) or 02 6161 1920 (general), and other local authorities as appropriate.

Contact Name		Permit Number	
Company			
Address
