

DISCLAIMER: *The Commission and Australia are publishing the texts of the Agreement following the announcement of conclusion of the negotiations on 24 March 2026. The texts are published in view of the public interest in the Agreement, for information purposes only and they may undergo further minor modifications, including as a result of the process of legal and linguistic revision. These texts are without prejudice to the final outcome of the Agreement between the EU and Australia. The texts will be final upon signature. The Agreement will become binding on the Parties under international law only after completion by each Party of its applicable legal requirements and procedures necessary for the entry into force of the Agreement.*

ANNEX 18-A

ILLUSTRATIVE LIST OF ENVIRONMENTAL SERVICES

The Parties recognise the importance of facilitating trade and investment in environmental services and recall their respective commitments under Chapter 9 (Investment liberalisation and trade in services) for the following sectors, subject to the reservations listed in their respective Schedules in Annex 9-C (Existing measures) and Annex 9-D (Future measures):

1. Environmental services covered by CPC provisional 94:

- 9401 – Sewage services
- 9402 – Refuse disposal services
- 9403 – Sanitation and similar services
- 9404 – Cleaning services of exhaust gases
- 9405 – Noise abatement services
- 9406 – Nature and landscape protection services
- 9409 – Other environmental protection services n.e.c.

2. Services when they relate to biodiversity preservation, such as:

- 96331 – Botanical and zoological garden services
- 96332 – Nature reserve services including wildlife preservation services

3. Services when they relate to circular economy, such as:

- 62278 – Wholesale trade services of waste and scrap and materials for recycling
- 633 – Repair services of personal and household goods

- 75410 – Telecommunications – equipment rental services
- 83101 – Leasing or rental services concerning private cars without operator
- 83106 – Leasing or rental services concerning agricultural machinery and equipment without operator
- 83107 – Leasing or rental services concerning construction machinery and equipment without operator
- 83108 – Leasing or rental services concerning office machinery and equipment (incl. computers) without operator
- 83109 – Leasing or rental services concerning other machinery and equipment without operator
- 8320 – Leasing or rental services concerning personal and household goods
- 88493 – Recycling on a fee or contract basis
- 886 – Repair services incidental to metal products, machinery and equipment

4. Services¹⁰ when they relate to those goods contributing to climate change mitigation identified in Annex 18-B, such as:

- 51130 – Site formation and clearance work
- 51140 – Excavating and earthmoving work
- 512 – Construction work for buildings
- 513 – Construction work for civil engineering
- 514 – Assembly and erection of prefabricated constructions
- 515 – Special trade construction work
- 516 – Installation work
- 62275 – Wholesale trade services of construction materials fittings and fixtures and flat glass
- 62283 – Wholesale trade services of mining, construction and civil engineering machinery and equipment
- 851 - Research and experimental development services on natural sciences and engineering
- 8671 - Architectural services
- 8672 – Engineering services
- 86733 – Integrated engineering services for the construction of manufacturing turnkey projects
- 8675 – Engineering related scientific and technical consulting services
- 8676 – Technical testing and analysis services

¹⁰ These services include services relating to the design, manufacturing, sale, distribution, installation, operation, maintenance, repair, recycling or any other stage of the lifecycle of goods contributing to climate change mitigation identified in Annex 18-B.

885 – Services incidental to the manufacture of metal products, machinery and equipment

88700 – Services incidental to energy distribution

5. Financial services¹¹ when they support investment and other business activities that:

- (a) promote sustainable production, consumption and growth, a circular economy, the importance of conserving and sustainably managing marine biological resources and marine ecosystems, the conservation and sustainable use of biological diversity, and minimise the generation of waste and abating pollution; and
- (b) combat climate change and its impacts and manage climate-related financial risks.

¹¹ As defined in point (a) of Article 9.X [*Definitions in Financial Services Section of S&I Chapter*].
