Australian Aid Friendship Grants

AUSTRALIAN COMMUNITIES HELPING THE INDO-PACIFIC

Australian Aid: Friendship Grants is a \$10 million, three-year small grants program which engages a diverse group of Australian community organisations (ACOs) into Australia's aid program.

Eligible ACOs can apply for a grant of \$30,000 to \$60,000 in the annual grant rounds.

Friendship Grants support ACOs to expand or enhance their existing development activities in the Indo-Pacific region.
