Note: For greater certainty, consistent with Article 14.8.9, in relation to procurements from the Department of Finance, Building Management and Works' Prequalification Scheme; and Main Roads Western Australia's National Prequalification System for Civil (Road and Bridge) Construction Contracts Scheme, requests for participation in a procurement from suppliers not already prequalified at the time of tender release will not be considered due to the time and complexity involved in assessing requests. This does not preclude suppliers from applying at any time to become prequalified. Prequalification ensures the financial security of building and construction contractors and does not discriminate between local suppliers and the suppliers of the other Party.

Note to Section B

1. For entities listed in this Section, in relation to multi-use lists:
 - (a) a notice inviting suppliers to apply for inclusion on a multi-use list may be used as a notice of intended procurement, provided a statement is included that only suppliers on the multi-use list will receive further notices of procurement covered by the multi-use list; and
 - (b) where all or a limited number of qualified suppliers have been selected, the time period for tendering may be fixed by mutual agreement between the

procuring entity and the selected suppliers. In the absence of agreement, the period shall not be less than 10 days.

Section C: Other Entities

Thresholds:

1. This Chapter shall apply to other covered entities listed in this Section where the value of the procurement is estimated, in accordance with Article 14.2.8, to equal or exceed:

- (a) for procurement of goods and services, 400,000 SDR
- (b) for procurement of construction services, 5,000,000 SDR

2. The monetary thresholds set out in paragraphs 1(a) and 1(b) shall be adjusted in accordance with Section H of this Schedule.

List of Entities:

 - (b) this Chapter shall not apply to procurement by a procuring entity from another government entity; and
 - (c) this Chapter shall not apply to procurement of asset management and financial advisory services pertaining to reserves held by a government or its entities.

Section H: Threshold Adjustment Formula

1. The thresholds shall be adjusted in every even-numbered year with each adjustment taking effect on 1 January, beginning on 1 January of the first even numbered year after the date of entry into force of this Agreement.
2. Every two years, Australia shall calculate and publish the value of the thresholds under this Chapter expressed in Australian dollars. These calculations shall be based on

the conversion rates published by the International Monetary Fund in its monthly *International Financial Statistics*.

3. The conversion rates shall be the average of the daily values of the Australian dollar in terms of the Special Drawing Rights (SDR) over the two-year period preceding October 1 or November 1 of the year before the adjusted thresholds are to take effect, and rounded to the nearest thousand Australian dollars.

4. Australia shall notify Peru of the current thresholds in Australian dollars immediately after this Agreement enters into force, and the adjusted thresholds in Australian dollars thereafter in a timely manner.

5. Australia shall consult Peru if a major change in Australian dollars relative to the SDR or to the national currency of Peru were to create a significant problem with regard to the application of this Chapter.
