(a) List consists of 49 economies for which the ABS has been able to supply supplementary data to DFAT since 2013. This data allows DFAT to restore the value of trade originally removed from economy export and import totals by the ABS through the application of the *No commodity details* and *No value details* confidentiality restrictions. These restored totals are referred to 'actual' in this document.

(b) All periods previous to Jan-2013 are actual partner economy export data, except for Norway (period Jan-1988 to Feb-1992) and Bahrain (Mar-1992 to Dec-2012).

(c) DFAT estimates total exports to Peru using an alternative methodology when supplementary data is not provided by the ABS.
