Federated States of Micronesia (FSM)

Applying for an Australia Awards scholarship

Australia Awards scholarships in FSM.

Australia's international development assistance to the Federated States of Micronesia (FSM) helps promote prosperity, reduce poverty, and enhance political stability.

Australia Awards scholarships are prestigious international awards offered by the Australian Government to the next generation of global leaders in developing countries. Through study and research, recipients gain the skills and knowledge to drive change and help build enduring people-to-people links with Australia.

Applicants are assessed on their professional and personal qualities, academic competence and, most importantly, their potential to make an impact on development challenges in FSM.

Applications are strongly encouraged from women, people with disability and other marginalised groups.

Priority fields of study

The priority areas of study for FSM are:

- Education
- Health, including Pathology
- Environment and Climate Change
- Natural Resource Management including fisheries and food security
- Cybersecurity
- Psychology, social work, and social protection
- International law and international relations

The governments of Australia and FSM regularly review these areas of study together and adjust the emphasis of the program.

Level of study

Australia Awards scholarships provide citizens of FSM with the opportunity to obtain master's degree or Doctorate Degree qualification at an Australian tertiary institution.

Awards will be offered for commencement in 2024.

Australia Awards benefits

Australia Awards scholarships are offered for the minimum period necessary for the individual to complete the academic program specified by the Australian education institution, including any preparatory training.

Scholarship recipients will receive the following:

- return air travel
- a one-off establishment allowance on arrival
- full tuition fees

- contribution to living expenses
- introductory academic program
- overseas student health cover for the duration of the scholarship
- supplementary academic support,
- fieldwork allowance for research students and masters by coursework which has a compulsory fieldwork component.
