Applying for an Australia Awards Scholarship

Australia Awards Scholarships in Thailand

Australia Awards Scholarships are prestigious international awards offered by the Australian Government to the next generation of local, national and global leaders. Through study and research, recipients develop the skills and knowledge to drive change and help build enduring people-to-people links with Australia.

In Thailand, Australia Awards Scholarships are funded by the Australian Government's [Mekong-Australia Partnership \(MAP\)](#), which aims to support a resilient and inclusive Mekong subregion that pursues joint solutions to shared and transboundary challenges.

Applicants are assessed on their professional and personal qualities, academic competence, relevance of study to the key thematic areas of MAP and, most importantly, their potential to contribute to joint solutions to current and emerging challenges in Thailand and the Mekong subregion.

Applications are strongly encouraged from women, people with disability and people living and working outside Bangkok.

Priority fields of study

The priority areas of study for MAP-funded scholarships include:

- Water security;
- Climate action;
- Transnational crime;
- Economic resilience and subregional integration; and
