8. The grant selection process

8.1 Assessment of grant applications

We, the CAAR Secretariat will review your application against the eligibility criteria.

Only eligible applications will move to the next stage. We consider eligible applications through an open competitive grant process.

If eligible, we will then assess your application against the assessment criteria (see Section 6) and against other applications. We consider your application on its merits, based on:

- how well it meets the criteria
- how it compares to other applications when recommendations are made
- whether it provides value with relevant money.\(^3\)

When assessing the extent to which the application represents value with relevant money, we will have regard to:

- the overall objective/s to be achieved in providing the grant

---

\(^3\) See glossary for an explanation of ‘value with money’.
 the relative value of the grant sought
 extent to which the geographic location of the application matches identified priorities
 the extent to which the evidence in the application demonstrates that it will contribute to meeting the outcomes/objectives.
 How the grant activities will target groups or individuals.
 Monitor the breakdown of how grant funds can be spent to achieve CAAR’s objectives.
 Grant funds that contribute to forming or continuing a partnership addressing one or more priority sectors.

8.2 Who will assess applications?
An assessment committee will assess each application on its merit before recommending which grant applications should be awarded a grant. The assessment committee will be made up of the CAAR Board members, a Department of Foreign Affairs and Trade (DFAT) ex-Officio and also the Delegate and an Austrade ex-Officio.

The CAAR Board members will then at a Board meeting recommend priority applications to the DFAT Delegate who is the approver for a grant.

Note: Experts who are not a Commonwealth official will be required to perform duties in accordance with the CGRG’s.

8.3 Who will approve grants?
The DFAT Delegate is the First Assistant Secretary, Middle East and Africa Division (MAD) who decides which grants to approve, taking into account the recommendations of the assessment committee/CAAR Board and the availability of funds for the purposes of the grant program.

The DFAT Delegate’s decision is final in all matters, including:
 the approval of the grant
 the grant funding amount to be awarded
 the terms and conditions of the grant and the length of their grant

There is no appeal mechanism for decisions to approve or not approve a grant.

9. Notification of application outcomes
The Secretariat will advise you of the outcome of your application in writing. If you are successful, we will advise you of any specific conditions attached to the grant.

9.1 Feedback on your application
If you are unsuccessful, you may ask for feedback within 30 days of being advised of the outcome. We will give written feedback within 30 days of your request. You may request feedback on your application by sending an email to E: caar@dfat.gov.au.

10. Successful grant applications

10.1 The grant agreement
You must enter into a legally binding grant agreement with the Commonwealth. We use the grant agreement in this program.

Each agreement has general terms and conditions that cannot be changed. Sample grant agreements are available on the CAAR website.
We must execute a grant agreement with you before we can make any payments. You must not start any CAAR 2022-23 Grant Round activities until a grant agreement is executed.

Your grant agreement may have specific conditions determined by the assessment process or other considerations made by the DFAT Delegate. We will identify these in the agreement.

The Commonwealth may recover grant funds if there is a breach of the grant agreement.

**Grant Agreement**

We will send you a Grant Agreement advising that your application has been successful and providing you with an offer. You accept the offer by signing and returning the Grant Agreement to us. We consider the agreement to be executed (take effect) from the date you sign the letter.

10.2 Specific legislation, policies and industry standards

Whilst you are required to be compliant with all relevant laws and regulations, you may be requested to demonstrate compliance. The following links will assist you:

1. DFAT Fraud Fact Sheet
2. DFAT Codes and Ethics Manual

10.3 How we pay the grant

The grant agreement will state the

- maximum DFAT grant amount to be paid.

We will not exceed the maximum grant amount under any circumstances. If you incur extra costs, you must meet them yourself.

We will pay the agreed amount of the grant on execution of the grant agreement. You will be required to report how you spent the grant funds at the completion of the grant activity.

| Note: Contributions from other sources are acceptable in the addition to the CAAR funding (to be advised in your Smartygrants application). Single year | The full agreed payment will be awarded to you for FY 2022-23 |

| value with money   | value with money in this document refers to ‘value with relevant money’ which is a judgement based on the grant proposal representing an efficient, effective, economical and ethical use of public resources and determined from a variety of considerations. When administering a grant opportunity, an official should consider the relevant financial and non-financial costs and benefits of each proposal including, but not limited to:  
  - the quality of the project proposal and activities;  
  - fitness for purpose of the proposal in contributing to government objectives;  
  - that the absence of a grant is likely to prevent the grantee and government’s outcomes being achieved; and  
  - the potential grantee’s relevant experience and performance history. |
