8 The grant selection process

8.1 Assessment of grant applications

The CAAR Secretariat will review your application against the eligibility criteria.

Only eligible applications will move to the next stage. We consider eligible applications through an open competitive grant process.

If eligible, we will then assess your application against the assessment criteria (see Section 6) and against other applications. We consider your application on its merits, based on:

- how well it meets the criteria
- how it compares to other applications
- whether it provides value with relevant money.³

When assessing the extent to which the application represents value with relevant money, we will have regard to:

- the overall objective/s to be achieved in providing the grant.
- the relative value of the grant sought.
- the extent to which the geographic location of the application matches identified priorities.
- the extent to which the evidence in the application demonstrates that it will contribute to meeting the outcomes/objectives.
- how the grant activities will target groups or individuals.

8.2 Who will assess applications?

An assessment committee will assess each application on its merit and compare it to other eligible applications before recommending/providing advice on which grant applications should be awarded

³ See glossary for an explanation of 'value with money'.

a grant. The assessment committee will be made up of the CAAR Secretariat, CAAR Board Members and DFAT's Embassies in the Middle East and North Africa Region. An overall score will be given to each application and a shortlist will be provided to the CAAR Board for consideration.

The CAAR Board will recommend to the DFAT Decision Maker which applications to approve for a grant.

Any Board member, who is not a Commonwealth Official, will be required/expected to perform their duties in accordance with the CGRPs.

8.3 Who will approve grants?

The DFAT Decision Maker, Assistant Secretary Middle East Branch, decides which grants to approve taking into account the recommendations of the assessment committee/CAAR Board and the availability of grant funds for the purposes of the grant program.

The DFAT Decision Maker's decision is final in all matters, including:

- the approval of the grant
- the grant funding amount to be awarded
- the terms and conditions of the grant.

There is no appeal mechanism for decisions to approve or not approve a grant.

9 Notification of application outcomes

We will advise you of the outcome of your application in writing. If you are successful, we will advise you of any specific conditions attached to the grant.

9.1 Feedback on your application

Feedback on unsuccessful applications will not be possible.

10 Successful grant applications

10.1 The grant agreement

You must enter into a legally binding grant agreement with the Commonwealth. We use the Simple Grant Agreement in this program.

Each grant agreement has general terms and conditions that cannot be changed.

We must execute a grant agreement with you before we can make any payments. You must not start any CAAR 2025-26 Grant Round activities until a grant agreement is executed.

Your grant agreement may have specific conditions determined by the assessment process or other considerations made by the DFAT Decision Maker. We will identify these in the agreement.

The Commonwealth may recover grant funds if there is a breach of the grant agreement.

Simple Grant Agreement

We will use a simple grant agreement.

You will have 30 days from the date of a written offer to execute this grant agreement with the Commonwealth ('execute' means both you and the Commonwealth have signed the agreement). During this time, we will work with you to finalise details.

The offer may lapse if both parties do not sign the grant agreement within this time. Under certain circumstances, we may extend this period. We base the approval of your grant on the information you provide in your application.

You may request changes to the grant agreement. However, we will review any required changes to these details to ensure they do not impact the grant as approved by the DFAT Decision Maker.

10.2 Specific legislation, policies and industry standards

While you are required to comply with all relevant laws and regulations, you may be asked to demonstrate compliance with the following policies to maintain your eligibility for the grant:

- [DFAT Fraud and Corruption Control in DFAT](#)
- [DFAT Codes and Ethics Manual](#)
- [DFAT Child Protection Policy](#)

To be eligible for a grant, you must declare in your application that you comply with these requirements. You may need to declare you can continue to meet these requirements in your grant agreement with the Commonwealth.

10.3 How we pay the grant

The grant agreement will state the maximum grant amount to be paid.

We will not exceed the maximum grant amount under any circumstances. If you incur extra costs, you must meet them yourself.

We will pay 100 per cent of the agreed amount of the grant on execution of the grant agreement. You will be required to report how you spent the grant funds at the completion of the grant activity.

Note: Contributions from other sources are acceptable in the addition to the grant funding (this must be outlined clearly in your Smartygrants application).

10.4 Grants payments and GST

Payments will **GST Exclusive**.

Grants are assessable income for taxation purposes, unless exempted by a taxation law. We recommend you seek independent professional advice on your taxation obligations or seek assistance from the [Australian Taxation Office](#).⁴ We do not provide advice on your particular taxation circumstances.

All payments will be made in Australian Dollars (AUD).

11 Announcement of grants

If successful, your grant will be listed on the GrantConnect website no later than twenty-one calendar days after the date of effect as required by Section 5.4 of the [CGRPs](#).

- contributions of participants directly related to the grant activity
- expenditure of the grant.

The amount of detail you provide in your reports should be relative to the size, complexity and grant amount.

We will monitor progress by assessing reports you submit. Occasionally we may need to re-examine claims, seek further information or request an independent audit of claims and payments.

Ad-hoc reports

We may ask you for ad-hoc reports on your grant. This may be to provide an update on progress, or any significant delays or difficulties in completing the grant activity.

Final report

When you complete the grant activity, you must submit a final report in SmartyGrants under the tab 'acquittal'.

Final reports must:

- identify if and how outcomes have been achieved

12.3 Financial declaration

We may ask you to provide a declaration that the grant money was spent in accordance with the grant agreement and to report on any underspends of the grant money.

12.4 Grant agreement variations

We recognise that unexpected events may affect your progress. In these circumstances, you can request a variation to your grant agreement. You can request a variation in writing by email: caar@dfat.gov.au.

You should not assume that a variation request will be successful. We will consider your request based on provisions in the grant agreement and the likely impact on achieving outcomes.

12.5 Compliance visits

We may visit you during or at the completion of your grant activity to review your compliance with the grant agreement. We will provide you with reasonable notice of any compliance visit.

12.6 Record keeping

We may also inspect the records you are required to keep under the grant agreement.

12.7 Evaluation

We will evaluate the CAAR 2025-26 Grant Round to measure how well the outcomes and objectives have been achieved. We may use information from your application and reports for this purpose. We may also interview you or ask you for more information to help us understand how the grant impacted you and to evaluate how effective the program was in achieving its outcomes.

We may contact you up to one year after you finish your grant for more information to assist with this evaluation.

12.8 Acknowledgement

The program logo should be used on all materials related to grants under the program. Whenever the logo is used, the publication must also acknowledge the Commonwealth as follows:

‘Council for Australian-Arab Relations – an Australian Government initiative’.

If you make a public statement about a grant activity funded under the program, we require you to acknowledge the grant by using the following:

‘This [name of grant activity] received grant funding from the Australian Government.’

Approval to use the CAAR logo/acknowledgement may be requested from the CAAR Secretariat.

13 Probity

The Australian Government will make sure that the grant opportunity process is fair, is conducted according to the published grant opportunity guidelines, incorporates appropriate safeguards against fraud and corruption, unlawful activities and other inappropriate conduct and is consistent with the CGRPs.

These guidelines may be changed from time-to-time by the Department of Foreign Affairs and Trade. When this happens, the revised grant opportunity guidelines will be published on [GrantConnect](#). By registering on this website, you will be automatically notified of any changes to these guidelines.

You should be aware of your obligations under the [National Anti-Corruption Commission Act 2022](#), noting that under the Act grantees will generally be considered 'contracted service providers' [see <https://www.nacc.gov.au/resource-centre/nacc-fact-sheets>].
