*Due to rounding, discrepancies may occur between sums of the component items and totals.

Australian development assistance supports Tokelau to improve its educational outcomes.

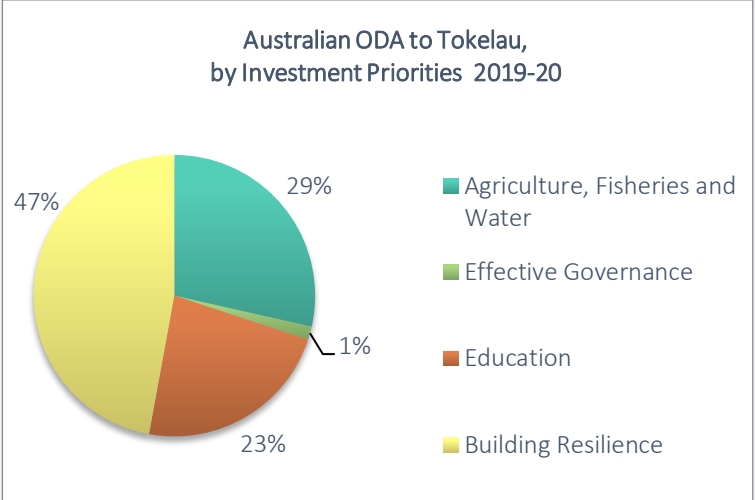

Strategic direction

Australia works with New Zealand through a delegated cooperation arrangement to support development activities in Tokelau.

Australia's investments have focused on education (SDG 4), health (SDG 3), and gender equality (SDG 5) in 2019-20, which are key priorities of the *Tokelau National Strategic Plan 2016-20*.

Program highlights

- In 2017-18, new Tokelau language resources for schools were prepared and English literacy materials were translated into the Tokelau language for use in schools.
- In 2018-19, Australia provided illustrated Tokelau language resources for schools to improve early childhood outcomes.
- In 2019-20, Australia's support will continue to support the provision of learning resources to schools and expand to include health and gender outcomes.
