

# DFAT DEVELOPMENT EVALUATION PLAN 2024-25 to 2026-27

## INTRODUCTION

This Development Evaluation Plan outlines the independent evaluations which DFAT expects to complete and publish over financial years 2024-25 to 2026-27. This plan has been approved by the Secretary of DFAT.

## EVALUATIONS

DFAT country, regional, global and sector development programs are required to identify, prioritise and complete a reasonable number of independent evaluations each year. These evaluations focus on the highest priority issues facing each program. Larger programs are generally expected to complete a higher number of evaluations.

DFAT publishes around 40 evaluations each year with a management response.

## REPORTING

DFAT publishes a report of all published evaluations on the [DFAT website](#) and in the annual [Performance of Australian Development Cooperation](#) report.
