20	25/08/2024	31/08/2024	Tonga	PIF Leaders' Meeting	\$ 6,311.13
					<b>\$ 256,997.45</b>

Notes: \* Total trip costs for the Ambassador for Climate Change's international travel from 2022 to end 2023 (trips 1 - 13 in this table) were also the subject of a Question on Notice (QON180) from Senator Birmingham in March 2024. We note there are some minor differences in total travel costs for some trips in this table compared to the QON response. Broadly, these differences can be attributed to processing of additional costs and/or refunds received after submission of the QON response, and the different scope of the requests.

\*\* Accommodation costs for the COP28 Conference in the United Arab Emirates in December 2023 and the PIF Senior Officials' and Foreign Ministers' meetings in Fiji in August 2024 (trips 13 & 19 in this table) cover longer durations than Ms Tilley was in country, as these vendors required block bookings for attendees for the entire duration of the event.
