Good afternoon,

I am contacting you with regards to a possible meeting between Hancock Prospecting and Australia's Head of Mission-Designate to Riyadh, Mr Miles Armitage (CV attached, though not for wider distribution as the appointment has not been announced).

The new Head of Mission (HOM) in Riyadh will commence in August 2025. Australia's mission in Riyadh is an important post in the Middle East and is essential for maintaining regular and constructive contact across a range of Gulf states, including Saudi Arabia, Oman, Bahrain and Yemen, facilitating our significant trade, investment and security interests in the region and supporting Australia's interest in a peaceful and prosperous Middle East. HOM-Designate is particularly interested in discussing your outlook on opportunities in the region, particularly regarding your recent announcements relating to mineral exploration in Saudi Arabia.

HOM-Designate Riyadh will undertake pre-posting consultations in Perth on 25 March 2025. Currently, HOM-Designate has availability after 16:00 on 25 March. If this is not suitable, we may be able to facilitate a meeting before 10:00 on 26 March. If possible, our preference would be to hold a meeting at our Western Australia State Office (Level 25, Exchange Tower, Sherwood Court). Welcome your advice regarding availability.

If you would like to discuss, please contact me or my colleague s 22(1)(a)(ii) at your convenience and we'll be very happy to assist further.

Kind Regards,

s 22(1)(a)(ii)

Dear s 47F(1),

As the organizer of the Embassy's Australia Day Annual Awards Gala, please allow me to jump in here. We would be delighted to welcome Mrs. Rinehart, s 47F(1) as well as a security person to our Gala on 29 January. When you RSVP on her behalf, please register all guests individually noting their dietary requirements. Please let us know their full names so we can ensure that they are seated together.

It's going to be a wonderful event and we're so happy that Mrs. Rinehart and her family members will be able to join us!

Regarding your question to Geoff about road closures, I'm sure that's related to the Inauguration on 20 January. By the time of our Gala on 29 January, there should be no traffic problems or road closures.

Please let me know if you have any questions or need more information.

All the best,

Hi Geoff

Thank you!

Mrs. Rinehart said she's interested in attending this function and asked if it's possible to bring **s 47F(1)** and a security person along?

She's also asked if the embassy is aware of the road closures in Washington DC around the Ritz Carlton hotel and the Hay Adams hotel? Do you guys have any non-public info about that?

Exciting few days coming up!

Thanks so much

**OFFICIAL**

**OFFICIAL** Good morning James,

Thank you again for offering to relay the below invitation to Ms Rinehart.

This inaugural event was held last year to introduce our new Embassy to the Washington community. The event was significant success, providing an opportunity to recognise high-achieving Australian innovators based in the United States. It was also a celebration of the common values that form the bedrock of our alliance. This year's guest list includes senior Australian and US industry figures alongside incoming US Government leadership. We're delighted that we will have Greg Norman in attendance to receive a lifetime achievement award.

We would greatly welcome Ms Rinehart's attendance to celebrate Australia with us this year.

Regards,

Geoff Mason
