s 33(a)(iii)

I am writing regarding the advice I have received from the Road Transport Authority ACT concerning the attached letter.

The Road Transport Authority advises that s 33(a)(iii) incurred a total of 8 demerit points on the following dates: 04/12/2021, 05/02/2022, 16/03/2022, 02/06/2023, 02/12/2023, and 06/09/2024. The Authority advises that if s 33(a)(iii) incur further offences, bringing the total to 12 to 15 demerit points within a 3 year period, s 33(a)(iii) licence will be suspended.

As you are aware, road safety is a matter of significant community concern in Australia. I seek to remind s 33(a)(iii) responsibilities while driving in Australia.

Yours sincerely

RE: s 33(a)(iii)

On the reverse side of this letter is a copy of your driving record and the resulting demerit points that you have incurred over the three year period preceding the most currently recorded offence.

You may be aware that Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall suspend that person's licence for a period of 3 months, unless the person chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

If 16 to 19 demerit points are incurred over 3 years, a 4 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months. If 20 or more demerit points are incurred over 3 years, a 5 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months

You will notice that your current total of demerit points indicates that the recording of another offence could result in you incurring 12 or more demerit points.

The loss of a driver licence can be very inconvenient and may even result in the loss of income for motorists who drive as an occupation. The purpose of this letter is to give you the opportunity to ensure that no further points are incurred which would result in the loss of your licence.

If you require any further information regarding this matter please contact the Licence Area by phoning 13 22 81.
