General Conditions of Contract for the Supply of Services outside Australia

1. TERM

- 1 1 The Contract takes effect on the Effective Date. The Services commence on the Commencement Date and unless terminated earlier in accordance with the Contract or otherwise, end on the Expiry Date or completion of the Services if no Expiry Date is specified.
- 1 2 DFAT may, in its sole discretion, extend the Contract for a further period as specified in Item 2 of the Details Schedule by giving written notice to the Contractor at least 30 days before the end of the then current Term or such other period as may be agreed in writing by the parties. The Contract, if extended, will continue under the same terms and conditions.

2. SERVICES

- 2 1 The Contractor agrees to provide the Services to DFAT and DFAT agrees to purchase the Services in accordance with the terms of the Contract.

3. CONTRACT DOCUMENTS

- 3 1 The Contract between DFAT and the Contractor comprises the General Conditions of Contract for the Supply of Services outside Australia (including the Details Schedule) and any Attachments.
- 3 2 If there is any ambiguity or inconsistency between the documents comprising the Contract, the following order of precedence is to be given to the extent of any ambiguity or inconsistency:
- (a) the General Conditions of Contract for the Supply of Services outside Australia (including the Details Schedule), and
 - (b) the Attachments (if any).

4. PROVISION OF SERVICES

- 4 1 The Contractor must provide the Services to DFAT:
- (a) for the period, at the times and locations (as applicable), and in accordance with any requirements for the provision of the Services as specified in the Details Schedule,
 - (b) using the Personnel identified in the Details Schedule or Attachment 1 (if any) or otherwise using appropriately qualified, skilled and experienced Personnel,
 - (c) in a manner which meets any performance standards specified in Attachment 1,
 - (d) to a standard of quality not less than industry best practice for services of the same type as those Services and, without limiting clause 4 1(a), in a timely manner,
 - (e) to the satisfaction of the DFAT Representative, and
 - (f) in accordance with any other requirements specified in the Contract.
- 4 2 The Contractor must promptly notify DFAT if the Contractor or any of its Personnel becomes aware that the Contractor will be unable to provide all or part of the Services in accordance with the requirements of this clause 4.

5. REPLACEMENT SERVICES

- 5 1 If the Contractor fails to provide the Services in accordance with the Contract, the Contractor must, at its cost, provide replacement Services or take any other action required by DFAT to rectify any aspect of the Services which do not comply with the Contract, as directed by DFAT.

6. NATURE OF ENGAGEMENT

- 6 1 DFAT engages the Contractor to provide the Services as an independent contractor and not as DFAT's agent or employee. The Contractor has no authority to bind DFAT or act on DFAT's behalf at any time. The Contractor is not entitled to any benefit from DFAT usually attributable to an employee. The Contractor must not, and must ensure that its Personnel do not, represent itself

RELEASED UNDER THE FOI ACT 1982

or themselves as being DFAT's employees, partners or agents

7. CONTRACTOR'S PERSONNEL

7 1 If specific Personnel are identified in the Details Schedule or Attachment 1 as providing the Services, the Contractor must

- (a) use those Personnel to provide the Services, and
- (b) notify DFAT if those Personnel become unable to provide the Services

7 2 DFAT, acting reasonably, may give notice requiring the Contractor to remove any Personnel from work in respect of the Services

7 3 If

- (a) Personnel described in clause 7 1 become unable to provide the Services, or
- (b) DFAT gives notice to the Contractor under clause 7 2 to remove Personnel from work in respect of the Services,

the Contractor must promptly arrange for their replacement with personnel of appropriate qualifications, skills and experience, as deemed acceptable by DFAT in writing, at no additional cost to DFAT

8. PRICE BASIS

8 1 The Contract Price is the agreed price for provision of the Services specified in the Details Schedule and Attachment 2. The Contract Price is inclusive of, and the Contractor is responsible for paying

- (a) all taxes, duties and government charges imposed or levied in the jurisdiction(s) in which the Services will be, or are, provided,
- (b) remuneration to the Contractor's Personnel, including salaries, wages, fees, superannuation, annual leave, sick leave, long service leave and all other benefits to which any of them may be entitled under any contract with the Contractor or under any award, statute or local law,
- (c) costs in respect of procuring and maintaining the insurances required under clause 20, and
- (d) costs of compliance with all other statutory, award or other legal or contractual requirements with respect to the Contractor's Personnel

8 2 Unless otherwise stated in Attachment 2, all prices and rates listed in the Contract are fixed for the duration of the Contract

9. PAYMENT

9 1 Subject to clause 10 and the Details Schedule, DFAT will pay

- (a) the Contract Price to the Contractor within 20 days after receipt of a correctly rendered invoice, or
- (b) if the Details Schedule provides for the payment of the Contract Price by way of
 - (i) instalments, the amount of the relevant instalment to the Contractor within 20 days after receipt of a correctly rendered invoice, or
 - (ii) milestone payments, the amount of the relevant milestone payment to the Contractor within 20 days after receipt of a correctly rendered invoice, and
- (b) if the Details Schedule provides for the reimbursement of Reimbursable Expenses, the amount of those Reimbursable Expenses which have been incurred by the Contractor in accordance with the Contract, within 20 days after receipt of a correctly rendered invoice

9 2 Under this Contract, interest on the late payment of invoices is not applicable

RELEASED UNDER THE FOI ACT 1982

10. INVOICE

- 10 1 An invoice is correctly rendered under clause 10 if
- (a) the amount claimed for payment is correctly calculated in accordance with the Contract and the Details Schedule provides that the amount is due for payment,
 - (b) the Services to which the invoice relates have been completed to the satisfaction of DFAT and meet the requirements of the Contract, and
 - (c) the invoice
 - (i) is set out in a manner that enables DFAT to ascertain the Services to which the invoice relates and that part of the Contract Price payable in respect of those Services,
 - (ii) is in the form of a valid tax invoice under GST Law, and
 - (iii) contains the date of issue of the invoice, the Contract number or purchase order number, the name and phone number of the Contractor Representative and is addressed as specified in the Details Schedule
- 10 2 In addition to the requirements of clause 10 1, if an invoice contains a claim for Reimbursable Expenses, to be correctly rendered
- (a) the Reimbursable Expenses must have already been incurred and paid for by the Contractor,
 - (b) the invoice must separately itemise all Reimbursable Expenses for which reimbursement is being sought, and
 - (c) the invoice must be submitted together with copies of invoices substantiating the Reimbursable Expenses
- 10 3 The Contractor must promptly provide to DFAT such supporting documentation and other evidence reasonably required by DFAT to substantiate performance of the Contract by the Contractor or payment of the Contract Price by DFAT

11. REIMBURSABLE EXPENSES

- 11 1 Except as provided for in the Details Schedule, the Contractor must perform its obligations under the Contract at its own cost and neither the Contractor nor any of its Personnel will be entitled to be reimbursed for any expenses incurred in providing the Services
- 11 2 Where Reimbursable Expenses are specified in the Details Schedule, and where DFAT has provided its prior written consent, the Contractor will be entitled to reimbursement for travel, accommodation and living expenses up to the DFAT Non-SES travelling allowance rates, and for goods and/or services purchased on behalf of DFAT at DFAT's request
- 11 3 All claims for Reimbursable Expenses must be submitted on a correctly rendered invoice in accordance with the requirements of clause 10
- 11 4 The maximum amounts to which the Contractor is entitled to reimbursement under this clause 11 will be the amounts to which DFAT non-SES personnel are entitled to when travelling in Australia or overseas
- 11 5 If the Contractor is required to travel under the Contract, the hours spent travelling are not billable work hours. Time spent travelling for the purposes of this Contract does not constitute a reimbursable expense
- 11 6 If requested by the DFAT Representative, the Contractor must provide satisfactory evidence to substantiate any specified claim for reimbursement prior to DFAT making any payment of the related claim

RELEASED UNDER THE FOI ACT 1982

12. DEDUCTION / SET-OFF

- 12 1 DFAT may deduct from any payment of the whole or part of the Contract Price any taxes, charges, insurance premiums or levies imposed by law upon DFAT which are ordinarily required to be paid by the Contractor as a result of the Contractor providing the Services. In doing so, the Contractor will be the entity that is taken to be complying with legislative requirements and DFAT will not be seen to be treating the Contractor or any of its Personnel as anything other than an independent contractor.
- 12 2 If the Contractor owes any debt to DFAT under or in connection with the Contract, DFAT may deduct the amount of the debt from payment of the Contract Price, or seek to recover the amount as a debt due to DFAT.

13. WARRANTY

- 13 1 The Contractor warrants that
- (a) the Services will be provided with due care and skill,
 - (b) the Services will be fit for the purpose or purposes for which services of that kind could be reasonably expected to be applied by DFAT, and

- 14 2 The Contractor must protect all DFAT Property from loss or damage, maintain DFAT Property in good order and promptly return DFAT Property to DFAT upon request by DFAT, when they are no longer required to provide the Services or otherwise upon expiration or termination of the Contract.
- 14 3 The Contractor acknowledges that it may be provided with the ability to access DFAT-held information in connection with its performance of the Services, including through access to DFAT information technology systems. Without limiting the Contractor's other obligations under this Contract or otherwise at law, the Contractor must not seek to access or use DFAT-held information except to the extent strictly required for the provision of the Services.

15. INTELLECTUAL PROPERTY RIGHTS

- 15 1 Subject to clause 15 2, title in, and ownership of all Intellectual Property Rights associated with any deliverable or material developed by the Contractor in connection with this Contract ('**Foreground IP**') vests on its creation in DFAT. The Contractor agrees to execute all documents and do all acts and things required by DFAT to give effect to this clause.
- 15 2 DFAT acknowledges that the vesting of ownership in DFAT of all Foreground IP does not apply to Intellectual Property Rights in any pre-existing material (including software, documentation or data) which is incorporated or embedded in Foreground IP, or any other pre-existing material which is embodied in, or attaches to the Foreground IP, or is otherwise necessary for DFAT to obtain full benefit of the Services ('**Background IP**'). In such circumstances, the Contractor grants to DFAT (or must ensure the grant of) a royalty free, irrevocable, non-exclusive, perpetual, worldwide licence (including the right to sub licence) of the Background IP to use, copy, adapt, expand, develop, publish or otherwise change, the pre-existing material

(c) becomes bankrupt or insolvent

- 16 2 For the purpose of 16 1(a), a breach which is not capable of remedy includes a circumstance where the Contractor

- (a) does not provide, or notifies DFAT that it will be unable to provide, all of the Services for the period, at the times and locations (as applicable), and in accordance with any requirements for the provision of the Services as specified in the Details Schedule,
(b) does not provide replacement personnel acceptable to DFAT in accordance with clause 7 (Contractor Personnel); or
