Ms Irina Thakur
Acting High Commissioner
High Commission of India
3-5 Moonah Place
Yarralumla, ACT 2600

Dear Ms Thakur,

I am writing regarding the attached advice received from the Road Transport Authority ACT concerning the suspension of the Full Driver Licence recorded in the name of **s 33(a)(iii)** accredited to the High Commission of India.

The Road Transport Authority advises that **s 33(a)(i)** driver's licence will be suspended due to the 13 demerit points incurred on 18/03/2025, 12/05/2025, 09/08/2025, 07/09/2025, 14/11/2025 and 22/11/2025. Unless **s 33(a)(iii)** chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension, **s 33(a)(iii)** licence will be suspended commencing on 17/03/2026 for a period of three months.

In the event **s 33(a)(i)** has not chosen the option of a Good Behaviour Period, I seek your cooperation in counselling **s 33(a)(iii)** against continuing to drive while **s 33(a)(iii)** licence is suspended. If **s 33(a)(iii)** is found driving while **s 33(a)(iii)** licence is suspended, this would raise serious questions about **s 33(a)(iii)** suitability to remain in Australia.

As you are aware, road safety is a matter of significant community concern in Australia, and I seek your cooperation in counselling **s 33(a)(iii)** about **s 33(a)(iii)** responsibilities.

Yours sincerely,

Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle Driver Licence incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall send a written notice to the licensee advising that the licence will be suspended for a period of 3 months unless the licensee chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

The demerit points you have incurred for the offences endorsed on your driving record over the 3 year period are shown on the attached page. Your demerit points total indicates that you have incurred 12 to 15 demerit points during this 3 year period.

Accordingly your Full Driver Licence or National Heavy Vehicle Driver Licence will be suspended for a period of 3 months commencing on 17/03/2026, unless you choose the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

You are not eligible to apply for, or be issued with a Restricted Licence in the ACT while your licence is suspended.

As a holder of a Full Driver Licence or National Heavy Vehicle Driver Licence you have a choice between 2 options:

1. Good Behaviour Period of 12 months

You may also choose a Good Behaviour Period of 12 months after your licence suspension has commenced. In this situation the 12 month Good Behaviour Period begins on the date of approval and any period of licence suspension served will stand.

Please note that if you elect a Good Behaviour Period of 12 months then incur 2 or more demerit points during that Good Behaviour Period, your Full or National Heavy Vehicle Driver Licence will be suspended for 6 months.

2. 3 month Licence Suspension

You may elect to accept a 3 month licence suspension, during which you may not drive a motor vehicle. After this period the previously held licence will be re-issued.

If you do not apply for a Good Behaviour Period by 17/03/2026 the Road Transport Authority will suspend your licence for a period of 3 months commencing on 17/03/2026.

Regulation 76 of the *Road Transport (Driver Licensing) Regulations 2000* provides that you must surrender your current Full or National Heavy Vehicle Driver Licence to the Road Transport Authority as soon as possible after it has been suspended. Licences may be surrendered to an Access Canberra Service Centre. Visit www.act.gov.au/accessCBR or phone 13 22 81 for Service Centre locations and opening times.

Please note that it is an offence under Section 32 of the *Road Transport (Driver Licensing) Act 1999* to drive a motor vehicle while your licence is suspended.

On the reverse side of this letter is a copy of your driving record and the resulting demerit points that you have incurred over the three year period preceding the most currently recorded offence.

You may be aware that Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall suspend that person's licence for a period of 3 months, unless the person chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

If 16 to 19 demerit points are incurred over 3 years, a 4 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months. If 20 or more demerit points are incurred over 3 years, a 5 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months

You will notice that your current total of demerit points indicates that the recording of another offence could result in you incurring 12 or more demerit points.

The loss of a driver licence can be very inconvenient and may even result in the loss of income for motorists who drive as an occupation. The purpose of this letter is to give you the opportunity to ensure that no further points are incurred which would result in the loss of your licence.

Yarrlaumla ACT 2600

Your Excellency

I am writing regarding the advice I have received from the Road Transport Authority ACT concerning the demerit-warning letter for **s 33(a)(iii)**, accredited to the Royal Belgian Embassy.

The Road Transport Authority advises that **s 33(a)(iii)** has incurred a total of 7 demerit points on the following dates: 03/02/2023, 20/08/2024 and 16/11/2025. The Authority advises if **s 33(a)(iii)** incurs further offences, bringing the total of 12 to 15 demerit points within a 3-year period, ^{s 33(a)(iii)} licence will be suspended.

As you are aware, road safety is a matter of significant community concern in Australia. I seek your cooperation in counselling **s 33(a)(iii)** about ^{s 33(a)(iii)} responsibilities while driving in Australia.

Thank you for your kind assistance.

Yours sincerely

RE: s 33(a)(iii)

On the reverse side of this letter is a copy of your driving record and the resulting demerit points that you have incurred over the three year period preceding the most currently recorded offence.

You may be aware that Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall suspend that person's licence for a period of 3 months, unless the person chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

If 16 to 19 demerit points are incurred over 3 years, a 4 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months. If 20 or more demerit points are incurred over 3 years, a 5 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months

You will notice that your current total of demerit points indicates that the recording of another offence could result in you incurring 12 or more demerit points.

The loss of a driver licence can be very inconvenient and may even result in the loss of income for motorists who drive as an occupation. The purpose of this letter is to give you the opportunity to ensure that no further points are incurred which would result in the loss of your licence.

If you require any further information regarding this matter please contact the Licence Area by phoning 13 22 81.

Dear Mr Abdelatif

I am writing regarding outstanding traffic infringements incurred by vehicles registered to your mission.

The attached itemised report from Access Canberra shows your mission's position as at 02 November 2025. The number of incidents is of serious concern.

I note that some of these matters occurred almost two years ago. Diplomatic missions incurring traffic infringements and not paying the associated fines is a matter that attracts regular media attention.

In light of this and to protect the reputation of your mission and the broader diplomatic corps, I would kindly ask that you give this matter your attention.

I remain available to assist on this or other issues as required.

Yarralumla ACT 2600

Your Excellency

I am writing regarding the advice I have received from the Road Transport Authority ACT concerning the demerit-warning letter for s 33(a)(iii), accredited to the Embassy of the Republic of Indonesia.

The Road Transport Authority advises that s 33(a)(iii) has incurred a total of 7 demerit points on the following dates: 21/02/2023, 21/10/2023, 07/03/2024, 28/05/2024 and 02/09/2025. The Authority advises if s 33(a)(iii) incurs further offences, bringing the total of 12 to 15 demerit points within a 3-year period, s 33(b)(i) licence will be suspended.

As you are aware, road safety is a matter of significant community concern in Australia. I seek your cooperation in counselling s 33(a)(iii) about s 33(a)(iv) responsibilities while driving in Australia.

Thank you for your kind assistance.

Yours sincerely
s 33(a)(iii)

Barton ACT 0221

RE: s 33(a)(iii)

On the reverse side of this letter is a copy of your driving record and the resulting demerit points that you have incurred over the three year period preceding the most currently recorded offence.

You may be aware that Section 18 of the *Road Transport (Driver Licensing) Act 1999* provides that when the holder of a Full Driver Licence or National Heavy Vehicle incurs a total of 12 to 15 demerit points within a 3 year period ending on the day when the person last committed an offence for which demerit points have been recorded, the Road Transport Authority shall suspend that person's licence for a period of 3 months, unless the person chooses the option of a Good Behaviour Period of 12 months as an alternative to the licence suspension.

If 16 to 19 demerit points are incurred over 3 years, a 4 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months. If 20 or more demerit points are incurred over 3 years, a 5 month licence suspension applies, unless the person chooses the option of a Good Behaviour Period of 12 months

You will notice that your current total of demerit points indicates that the recording of another offence could result in you incurring 12 or more demerit points.

The loss of a driver licence can be very inconvenient and may even result in the loss of income for motorists who drive as an occupation. The purpose of this letter is to give you the opportunity to ensure that no further points are incurred which would result in the loss of your licence.

If you require any further information regarding this matter please contact the Licence Area by phoning 13 22 81.

OFFICIAL

Good morning, Kenya High Commission

The DFAT geographic desk has passed onto Protocol branch your attached documentation regarding traffic fines in Victoria, totalling \$12,064.50. With reference to your TPN, please note the documents dated 18/09/2024, 06/02/2025, 17/02/2025, and the copy of the application for the mission to nominate the drivers were not included in the attachments.

Protocol contacted Fines Victoria, however they would not provide us with the full details of your fines and any requests to transfer the fines or make a payment plan.

The timeframe to again submit an alternate driver has now lapsed, as nomination can only be submitted by the due date of the infringement notice (usually 28 days from the date of issue) and the Penalty Reminder Notice period. As the Notice of Final Demand has been issued, it is no longer possible to nominate an alternate driver.

Noting the above, the current options are to either:

1. pay the fine in full or via instalments,
2. ask for a payment extension, or
3. request a review.

Please refer to the Fines Victoria website, About infringements

Kind Regards

Attn s 33(a)(iii)
High Commission Of The Republic Of Ker
PO Box 1990
CANBERRA CITY ACT 2601

Dear s 33(a)(iii)

Decision of a review officer exercising powers delegated by the Director, Fines Victoria

Section 37(1) of the *Fines Reform Act 2014*

Enforcement review application unsuccessful

I have considered the application for enforcement review and have decided to confirm enforcement of the fines listed below.

Reasons for decision:

An enforcement review has been requested on the ground of Mistake of Identity. This means that I must consider if the fine incorrectly identifies who committed the offence.

You have submitted an application for the obligations listed in the attached schedule, all relating to traffic offences and stated the fines should be transferred to the drivers and should not be in the name of the High Commission.

The infringements have been issued to the High Commission of the Republic of Kenya as the registered operator of the motor vehicles against which these offences were recorded. Records confirm the infringement notice as well as the penalty reminder notice was issued to the same postal address as reflected in your application.

The responsibility lies with the registered operator of the vehicle to ensure where applicable, a valid nomination statement is submitted by the due date identifying the person in control of the vehicle at the time of the offence. Under the Road Safety Act operator onus provision, the registered operator of the motor vehicle is liable for the offence if they do not provide this information.

Once an infringement is registered with Fines Victoria, nomination is no longer an available option.

Based on all the available information, I am satisfied to confirm:

- the decision of the agency to issue the fines, and
- that enforcement should proceed under the Fines Reform Act 2014.

The following options are available:

- Pay the remaining amount of \$12,064.50 in full. Go to fines.vic.gov.au/Pay-your-fine for more details.
- Apply for an extension of time to pay. Go to fines.vic.gov.au/Payment-extension for more details.
- Apply to pay by instalments. Go to fines.vic.gov.au/Pay-by-instalments for more details.

If the fines are not dealt with, they will continue to be enforced from the stage they were at when the application was made.

For more information, visit fines.vic.gov.au or call 03 9200 8222 between 8:00 am and 6:00 pm weekdays, except public holidays.

Dear s 33(a)(iii)

DFAT Protocol advises there are only two options for s 33(a)(iii)

- * Licence will be suspended for three months, or
- * Good Behaviour Period of 12 months, noting you can drive during this period.
 - o When the good behaviour period starts, your demerit points total resets to zero.
 - o During the good behaviour period, your demerit point threshold is reduced to just 2 demerit points.
 - o If you accumulate 2 or more demerit points during your good behaviour period, you'll be suspended for double your original suspension period – 6 months and no option for a good behaviour period.
 - o The information regarding the good behaviour period is available on Access Canberra website. Please see the link : Demerit points and suspensions - Access Canberra
