[s 33\(b\)](#)

///

[s 33\(a\)\(iii\)](#)

s 33(a)(iii)

We propose advice to FM as follows:

Australia supports the principles of safe, secure, trustworthy AI adoption and we are prioritising similar initiatives through the Australian AI Safety Institute. We are committed to existing multilateral fora and multistakeholder engagement, including the Hiroshima AI process and Global Dialogue on AI.
