Hi s47F(1) & s47G

Thanks for your message and hope you're staying warm. Europe was lovely, if a distant memory now.

Ambassador Court has confirmed he'd be happy to provide a venue for both of the events. Would you mind confirming the timing and expected numbers again? s47G

It will be a busy time for everyone during the Games, so we'll try to keep logistics as simple as possible for all parties! We'll need full details well before on who's attending (affiliations) and what formalities you expect, but plenty of time on that too.

Kind regards

Dear s47F(1) & s47G

Lovely to hear from you.

It is getting really hot in Tokyo. I can't believe that the Olympic Games are going to take place in this heat next year. But it seems that the Hilton hotel has a nice pool. So I imagine that everyone can cool down there.

Thank you for making the time to see us the other day.

There are still quite a few unknowns but we will get back to you once s22(1)(a)(ii) gets back from his holiday.

Please take care.

Kind regards,

s22(1)(a)(ii)

Hi s47F(1) & s47G

4pm on Wednesday is good!

Can you give me the names of the people coming so I can register you as guests?

Please come through the front gate of the Embassy, not the previous Ambassador's residence.

Kind regards

Richard and s47F(1)

We have completed a really wonderful Telethon celebrating our 50th year .

s47F(1)

There was a tremendous buzz staring before we began and following through to after the completion.
We raised 36.4 million which was rather a good effort . On the Monday we reported they held a fund raiser
in the US for Katrina and the five living presidents participated they raised 32 mil !
What a tribute to WA !

s47F(1)

Not quiet sure what the magic dust was but if felt great .
We just missed you two and it would have been totally complete .
