Selection criteria

Criterion 1

Criterion 1: High quality education experience

Describe the educational value of the mobility project, including learning outcomes relevant to the course's participating students are undertaking at their home university. What competencies will students develop through this mobility experience?

You should outline how the academic quality standards of the home university will be applied to the Mobility project, and how participation in the course will contribute to core learning outcomes of participating students.

s47G

-

Criterion 2

Criterion 2: Deepening people-to-people and institutional linkages with the Indo-Pacific

Describe how the proposed Mobility project will:

- a. establish new and/or deepen people-to-people and institutional partnerships in the Indo-Pacific, and**
- b. build and sustain these linkages over time.**

You should provide practical examples of how the proposed Mobility project promotes the NCP strategic objective and outcomes through the engagement of students, universities, the private sector and other stakeholders; and how these partnerships provide strategic opportunities for enhanced engagement (for example, research collaborations).

Responses should also outline how the partnerships will continue and be sustained in the future, including detailing any current or planned partnership agreements (such as MoUs). Responses should outline any steps to ensure that the Mobility project will continue to operate in the future (after any NCP funding ceases).

Priority will be given to applications that demonstrate practical measures to develop deep and lasting relationships between Australian universities and partner institutions in the Indo-Pacific.

Selection criteria

Criterion 1

How will the Mobility Project:

a. increase student knowledge of the Indo-Pacific and Host location?

b. increase student mobility to the Indo-Pacific and the Host location?
(40 per cent)

Applicants should describe how the proposed Mobility Project will increase Student knowledge of the Indo-Pacific region and the Host Location and increase Student mobility to the region and the Host Location.

Responses should include examples of how this will occur. For example, increasing knowledge of the Indo-Pacific region may take place through direct learning, cultural training, engagement with local social and cultural institutions or direct engagement with local community, business or academic networks. Increasing student mobility may occur by increasing the number of students able to participate, expanding study program types or fields of study, or providing opportunities for student groups that would not otherwise have the opportunity to undertake a mobility experience.

-200 words

s47G

-

Criterion 2

How will the Mobility Project:

a) support new and/or strengthened partnerships in the Indo-Pacific region?

b) be sustainable over time?

(30 per cent)

Applicants must demonstrate how the proposed Mobility Project establishes or strengthens people-to-people and institutional relationships with the region, through the engagement of Students, universities, businesses and other stakeholders and how the relationships provide a strategic opportunity for enhanced engagement.

Responses should also outline how the partnership/s will continue and be maintained in the future, including current or planned partnership agreements. Responses should also outline any other steps being taken to ensure that the project will continue to operate in the future.

-150 words

s47G

-

Criterion 3

How will the Mobility Project promote the New Colombo Plan in Australia and the Host location?

(10 per cent)

Applicants must demonstrate how the proposed Mobility Project will be promoted in Australia and in the Host Location to build awareness of the New Colombo Plan, its objectives, and the benefits of study and Internships in the Indo-Pacific. Examples include:

- acknowledgement of the Australian Government’s funding of the Mobility Project in promotional activities in print and online university and partner marketing channels (“This Project is supported by the Australian Government’s New Colombo Plan” paired with the New Colombo Plan logo, which is available from the New Colombo Plan Secretariat)
- proactive promotion of the Project through local media, including recognition of the Australian Government funding as above (text and logo)
- promotion of the New Colombo Plan to relevant university staff and prospective participants through university internal communications and student outreach
- promotion of the benefits of offering internship experiences to New Colombo Plan students to prospective Internship and Mentorship sectors or providers.

-100 words

s47G

Criterion 4

Will the Mobility Project support Semester-based study opportunities in the Indo-Pacific?

(5 per cent)

Applicants must advise whether their Mobility Project involves Semester-based study.

This selection criterion will be assessed as either “met” or “not met”.

s47G

Criterion 5

Will in-country language training be provided to Students in the Host Location?

(5 per cent)

Applicants must advise whether their Mobility Project will incorporate a language training component in the Host Location.

If yes, Applicants will need to indicate the name of the provider and the name of the course (if known).

This selection criterion will be assessed as either “met” or “not met”.

-100 words

s47G

Criterion 6

Will the Mobility Project involve an Internship component?

(5 per cent)

Applicants must advise whether their Mobility Project will incorporate an Internship component in the Host Location. See the definition of Internship under Section 15.

This selection criterion will be assessed as either “met” or “not met”.

Note: Applicants should answer ‘Yes’ to this question if:

- they are seeking funding for Internships Grants, and/or
- the Mobility Project comprises or includes a short-term or semester-length Internship, clinical placement or practicum.

s47G

Criterion 7

Is the Mobility Project supported by a Mobility Partnership?

(5 per cent)

Applicants must advise whether their Mobility Project will involve a Mobility Partnership (see Section 2.5).

The response must include information on the Mobility Partner, the proposed benefits to students from the Mobility Partnership, the proposed duration of the Mobility Partnership, confirmation that the sponsorship offer has been made, and any other relevant information. Mobility Partnerships could include the provision by a Private Sector Organisation of a good or service free of charge for use in the Mobility Project that otherwise would have required payment of a fee or charge, or a cash contribution for the Mobility Project.

This selection criterion will be assessed as either “met” or “not met”.

-100 words

s47G

Internship grant criterion

Will the Semester-based Mobility Project incorporate an Internship component?

Applicants must describe the proposed Internship component, including information on the potential Internship host, the proposed benefits to the participants

from the Internship, the proposed duration of the Internship, confirmation that the university has considered visa requirements (if applicable), and any other relevant information.

-100 words

s47G
