Summary

The Leader of the Opposition (LOTO) visited Delhi from 1–4 November 2023. LOTO met with India's External Affairs Minister Jaishankar and s 33(a)(iii) (we facilitated both meetings at LOTO's request). LOTO also met with India's Minister of Road Transport Gadkari, G20 Sherpa Kant, and NITI Aayog Vice-Chairman Bery (these meetings were not facilitated by us). We provided official transport to LOTO throughout the visit. s

Hi s
47F(

Apologies for any confusion re: timing of the bookings.

Our team have spoken to the s 47F(1) and confirmed they are happy for us to check-out at 1800 tomorrow – two hours before Mr Dutton will need depart from the s 47F(1) (have sent through details on signal).

Very happy to ask for Mr Dutton's booking (or other delegation members bookings) to be extended all the way through to 2000 when they depart – but just flagging we may incur an extra night's charge as a result. Just let me know if you need me to action this though – I am fairly certain the hotel has availability so that should not be an issue.

Happy to discuss

Hi s 22(1)(a)(ii)

I think I sent an email requesting this but missed this email asking if we wished for it.

Short answer: yes please, we would like to keep a room for Mr Dutton up until departure.

OFFICIAL

Hi s 22(1)(a)(ii)

I have just reviewed this against the current program and note LOTO has a full day before his departure flight on 4 November, but we only have the rooms booked at the s 47F(1) until the morning of 4 November.

Would you like us to extend the booking to 4 November? There will of course be an extra nights fee, but would provide LOTO with a room to return to for a refresh mid-way through the day (looking at the program we do not have time to return after the EAM Jaishankar meeting for a re-fresh).

Let me know and I can arrange as required.

Happy to discuss

Hi s
22(1)

Apologies for the late reply and bad formatting of my email, am flying today so operating off phone only.

Happy with the costs for s 47F(1) as advised for Mr Dutton and the delegation.

For clarification s 47F(1) and s 47F(1) are travelling with Mr Dutton and s 47F(1) with Mr Wood. Please note though for IPEA purposes s 47F(1) is also a member of Mr Dutton's staff (working out of Shadow Minister Wood's office).

If you need anything further at this stage please let me know.

Many thanks

Hi s
47F(

I have an email with IPEA seeking pre-approval for the delegation's accommodation costs, but just wanted to flag the total accommodation budget for the Leader of the Opposition's travel to India with you to ensure you and the office have visibility of what we are seeking to charge back to IPEA.

With apologies for the short notice Grateful if you could respond ASAP confirming you are comfortable with the proposed costs – we just need to lock-in the booking which will require a financial commitment on our part.

Per previous emails rooms are being booked from the night before the delegation's arrival to ensure accommodation is available first thing after an early arrival on 1 November. Post has obtained the attached quote from the s 47F(1) for accommodation for the delegation. s 47F(1)

Per attached quote from s 47F(1) breakfast is included in the room rate below. Breakdown of the room costs is as follows:

	Costs in Rupees (INR)			
Date of accommodation booking	31-Oct	1-Nov	2-Nov	3-Nov
Hon Peter Dutton MP – Leader of the Opposition	25960	25960	25960	
Hon Jason Wood MP – Shadow Minister for Community Safety, Migrant Services and Multicultural Affairs	25960	25960	25960	
s 47F(1), Office of the Leader of the Opposition	25960	25960	25960	
s 47F(1) – Officer of the Leader of the Opposition	25960	25960	25960	
s 47F(1), Office of the Leader of the Opposition	25960	25960	25960	
Grand total				
10 per cent contingency				
Funding request (this is the amount we will be seeking pre-approval from IPPEA to cover any currency fluctuations etc.)				

Please let me know if any of the above causes any concerns, very happy to discuss.

Additionally, just wanted to clarify one minor point, my colleagues in Canberra instructed the Leader of the Opposition has approved the above expenditure for himself, two of his staff members, Mr Jason Wood MP, and one staff member from Mr Wood's office. To ensure my records are correct can you let me know which of the three advisors travelling with the delegation is a member of Mr Wood's office? All three advisors were listed as advisor's to the Leader of the Opposition in the information I have.

Happy to discuss and hope the preparations for the trip are coming along well!

High Commissioner,

Thank you for your email. I have spoken to Mr Dutton and he very much appreciates your offer of assistance.

The airport facilitation and assistance with ground transportation will be very helpful. Mr Dutton would also be pleased to take up your offer of a briefing on the bilateral relationship.

We still have some elements to confirm with the program, but we will endeavour to come back to your post tomorrow with more detail as it stands.

Thank you again.

In particular, please be aware that the High Commission would be pleased to provide the following types of assistance, should Mr Dutton and his party require them.

- support in engaging with the Ministry of External Affairs for any meetings you are seeking with Government of India officials or representatives, and
- contact details for other stakeholders you are seeking to engage with.

Please let us know how we can help in those ways.

I would also welcome the opportunity to brief Mr Dutton about the Australia-India bilateral relationship in the course of his visit.

Good afternoon s 22(1)(a)(ii)

Thank you for your response and we really appreciate your support of the upcoming visit by Mr Dutton.

In answer to your queries:

The s 47F(1) is the delegation's preference (from Post's perspective we have used it several times previously for delegations and it provides a high-level of service); **Yes please**
Rooms will be required from check-in on 31 October to check-out on 4 November (assuming the delegation will not be leaving Delhi during this time); **Yes please.** s 47F(1)

Can we please still have room bookings from 31 October though to ensure the Delegation is able to have access for showering etc. on arrival.

Any requirements for those room (i.e. will the Leader of the Opposition or the Shadow Minister need a particular type of room, etc). No particular room type needed. s 47F(1)

Can I please also update advice that the full travelling party are:

Hon Peter Dutton MP – Leader of the opposition

Hon Jason Wood MP – Shadow Minister for Multicultural

s 47F(1), Office of the Leader of the Opposition

s 47F(1) – Officer of the Leader of the Opposition

 Federal Agent s 22(1)(a)(ii) – Close Personal Protection Team, Australian Federal Police
 Federal Agent s 22(1)(a)(ii) – Close Personal Protection Team, Australian Federal Police

** FA s 22(1)(a)(ii) will be arriving into Delhi on Saturday 28 October **

Just to make things a little more confusing the India Australia Strategic Alliance (who we are working with for some elements of the programme) and the AFP have separately made bookings for part thereof the Party.

- IASA for Mr Dutton and s 47F(1)
- AFP for s 22(1)(a)(ii) and s 22(1)(a)(ii)

Can you please advise the Hotel when booking that they can cancel the existing bookings and we will keep all our delegation under this booking. Very likely I'm telling all how to suck eggs but just want to avoid any confusion 😊.

Our passports are currently at the Indian High Commission getting visas but I will send through ticketed itineraries and passport bio pages /visa pages for all travellers once they are returned in coming days.

Please let me know if you require any additional information at this stage.

Good afternoon Sarah

As per s 22(1)(a)(ii)'s email below we are still finalising the programme and will send though as soon as available.

In the meantime I have spoken with IPEA (Department of Finance) who advise that best course of action for accommodation is to book through Post and have you charge it back to them directly. Can I please confirm whether this is able to be done via the Post and that chargeback to IPEA is possible and if not, can you please advise if you have a point of contact at the s 47F(1) that I can email re the bookings.

The travelling party for room bookings are as follows with arrival on Tuesday 31 October at 2000hrs off flight s 47F(1) and departure on Saturday 4 November at 2150hrs on s 47F(1):

Hon Peter Dutton MP – Leader of the opposition

Hon Jason Wood MP – Shadow Minister for Multicultural

Many thanks for that s 47F(1)

Reiterating here for the sake of completeness:

- As previously discussed, Post has organised airport facilitation and will organise transport – we are drawing up a transport plan now. **Thank you**
- LOTO will be met by our Deputy Head of Mission at the Airport. **Noted, thank you**
- We will facilitate baggage transfer from the airport to the s 47F(1) – grateful if you could provide a photo of any check-in baggage when you check-in at the airport so we know numbers, colours etc. for ease of transport (happy to be contacted on WhatsApp or Signal on the number below). **Thanks. Will send photos through**

Three quick queries/points:

1. Re: the High Commissioner's pre-brief for the official delegation (as opposed to the IASA delegation) can we pencil that in for 08:00 to 09:00? I need to confirm that with the High Commissioner but it looks like the only time that will work on the Wednesday. **Can we please tentatively pencil in 0830 – 0930 on Wednesday if that works for the High Commissioner**
2. Does the delegation have a view on whether an DFAT officers can travel with the delegation? This would be our preference (noting issues may arise where a DFAT officer's assistance would be helpful – traffic incidents etc.). **Yes, happy for a DFAT officer to travel with the delegation. If there is a movement where it is not required the delegation will advise directly.**
