

*This is a copy of an email received in response to the request for submissions on the feasibility study on strengthening trade and investment with Israel*

Dear Ms. Payne,

I am very concerned with the prospect of Australia entering into a free trade agreement with Israel, in light of the recent report by Human Rights Watch. The Report finds Israel in serious breach of significant human rights, constituting a state of apartheid in this country. I strongly urge the Minister to reconsider a FTA with Israel.

Yours sincerely,

Louise Pain.
