

INDIGENOUS PROCUREMENT IN DFAT

DFAT is an advocate of IPP and is striving to build long term strategic commercial partnerships with Indigenous businesses to assist to build capability and capacity in Australia and Overseas

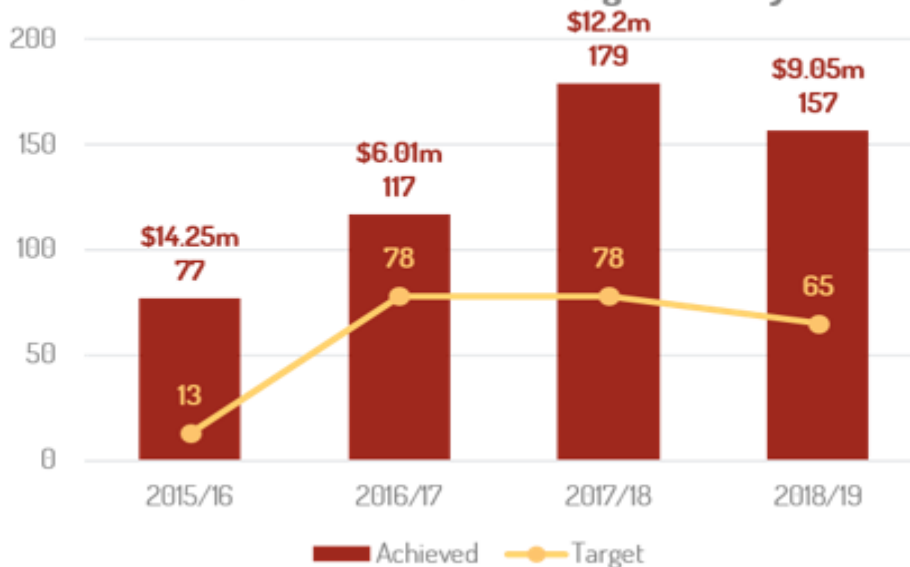

DFAT maximises opportunities for Indigenous suppliers by applying the mandatory set-aside, where Indigenous suppliers are given first opportunity to quote for certain procurements, valued at \$10,000 to \$200,000

DFAT has awarded over 530 contracts to 94 Indigenous-owned business with a total value of over \$41.5 million

As at July 2019

DFAT has exceeded its IPP targets each year

OUR JOURNEY WITH THE INDIGENOUS BUSINESSES

- DFAT was a finalist in the Government Member of the Year category in the Supply Nation Indigenous Procurement Awards in 2017, 2018 and 2019
- DFAT is advocating for greater participation by Indigenous subcontractors to deliver foreign aid projects and has launched an online market place AusConnect to link searchers and suppliers, and to find opportunities to engage with the Australian Aid Program
- DFAT has included a diversity and inclusion schedule in major aid procurement activities, to promote Indigenous business participation in the aid program
- DFAT was the first Commonwealth Agency to engage Message Stick Communications for IT Services
- DFAT has been a member of Supply Nation since it launched in 2011
