NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS**

7. Managing Uncertainties

7.1 Contingent Assets and Liabilities

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the notes. They may arise from uncertainty as to the existence of a liability or asset or represent an asset or liability in respect of which the amount cannot be reliably measured. Contingent assets are reported when settlement is probable but not virtually certain and contingent liabilities are disclosed when the probability of settlement is greater than remote.
